

Stalker Sport 2 - THE baseball solution

Every Major League Baseball team's scouting organization uses Stalker Sport radars, and there's a reason for that. Stalker Sports are the most rugged, reliable, and accurate speed radars in the field. Until now.

With the introduction of the Stalker Sport 2, the bar will be raised even higher, but not the price.

- Designed specifically to measure pitching speeds and time base runners.
- Improved (higher) release speed measurement.
- Simultaneously displays release and plate speeds.
- Displays speed in either units or tenths.
- Reduced size and weight improves comfort.
- Concurrent Radar and Stopwatch Operation.
- Uses common AA NiMh rechargeable batteries.
- Battery Handle Cap quickly Snaps ON/OFF.
- Rugged polymer case weighs 1.75lbs. including batteries.
- In-Gun-Battery wall charger is included.

FEATURING:

- Simple, baseball-specific operation.
- 2 Active Speed Windows – Both Peak Speed and Plate Speed.
- 4½ -Hour Battery Life – Uses common AA, either NiCad's or NiMh with low battery indication.
- 10-millisecond speed acquisition time.
- Stopwatch function – Simultaneously measures pitches and times runners – optional stopwatch cable required.
- Standard Data Port. RS-232/RS-485, 1200 baud to 38.4 Kbaud – communicates with any serial device.
- Two transmit modes – Pull-to-transmit; pull-on, pull-off.
- Multiple units of measure – MPH and KM/H.
- Recall Previous – Recalls previous 5 readings.
- Default settings are optimized for measuring pitch speeds - User presses the MENU key to customize the settings.

Accessories Add Versatility

Accessories available for the Stalker Sport 2 include 2- and 3-digit displays, a stopwatch start/stop cable, and an automobile 12 VDC accessory plug adapter cable.

Stalker Sport 2 Displays features 7-inch-high digits.

Lower Price Than Original Sport - ~~\$749.00~~

Stalker engineers started from scratch when they designed the Sport 2. Compared to the original Sport, the Sport 2 is truly a next-generation radar – updated and improved radar design; new, modern components; and more accurate and sophisticated software algorithms. All for the list price lower than the original, first-generation Sport! 2 - Year Warranty.
